YOUR MAGICAL MOMENT AWAITS

Start your fairytale at this enchanting venue with an intimate, candlelit civil ceremony tailored to your exact wishes. In the warmer months, the licensed lakeside gazebo nestled in meticulously landscaped grounds is ideal for romantic outdoor nuptials.

For those wishing to take their vows before God, St. Mary's Church, Pulford is ideally situated opposite our hotel, where you will be welcomed to marry in this inspiring Grade II listed building featuring Gothic Revival architecture.

YOUR WEDDING, YOUR WAY

We pride ourselves on helping you achieve your dream wedding, with our flexible and expert approach in tailoring your special day to your exact requirements. Whether it be a small intimate celebration from as little as 10 guests or a larger gathering of 200, the full day and evening or a twilight reception. We can create a bespoke package to suit your ideals. With a choice of decadently designed wedding suites, specially crafted menus, expert knowledge and a team who passionately and genuinely care, we will ensure every special moment perfectly pieces together to create your fairy tale wedding.

A wedding couple in a Japanese garden at dusk. The bride is in a white gown with a long train, and the groom is in a dark suit. They are standing on a stone path, embracing. In the background, there is a traditional Japanese building with a tiled roof, a stone lantern, and a pond with lily pads. The sky is dark with some clouds, and the overall mood is romantic and serene. Large, light-colored, abstract curved lines are overlaid on the image.
